

## Help prevent hip injury

Never leave a resident unprotected

*Foam pads are comfortably positioned over each hip*

- Reduce risk of injury from lateral falls

- Convenient, removable pads for uninterrupted resident protection

- Perforated foam pads guard against skin breakdown

### HipShield<sup>®</sup> X-tra

Helps guard against injuries related to lateral falls. Ideal for residents at risk of hip fracture.

Comfortably positioned over each hip, the protective pads help absorb the impact produced by a fall. HipShield X-tra is worn under clothing and will not shift or bunch. Cotton and spandex blend is cool and comfortable.

Closed-cell foam protection pads are removable to allow for ease of laundering and to keep the resident protected at all times. The perforated foam allows the skin to breathe and helps guard against skin breakdown.

To order, see reverse side.

*Pad pockets have an opening for easy access and removal*

## Order convenient Double Pack, Four Pack, or Replacement Pads

*Cotton/Spandex blend • Fully launderable • Do not bleach • White*

*Sizing: S, waist 30"-32"; M, waist 32"-34"; L, waist 36"-38"; XL, waist 38"-42"*
