

Provide patients with clean comfort

- **Single use to reduce cross-contamination risks**

- **Rip-resistant fabric and elastic band for secure coverage**

Sanitary Headset Covers

During MRI scans, headsets often are required to provide patient comfort and reduce noise. AliMed single-use **Sanitary Headset Covers** help keep headsets clean and prevent the spread of infection between patients wearing reusable headsets. The rip-resistant fabric and elastic band attach over the earpieces for secure coverage.

Covers are not made with natural rubber latex.

Small: Fits headsets up to 3½" diam.
Large: Fits headsets up to 5½" diam.

Ordering Information

#936494 Small Headset Covers, 1,000/cs

#936493 Large Headset Covers, 1,000/cs

Partners in the Continuum of Care

AliMed is the only niche manufacturer and distributor with on-site customization capabilities. This complements a vast portfolio of in-stock, specialty healthcare products designed to improve patient outcomes and experiences. Serving patient needs spanning hospital to home, AliMed has built its reputation on responsiveness, exceptional customer service, and high-quality offerings.

The AliMed Advantage

- E-commerce site and specialized catalogs to easily find and order products
- On-site customization capabilities
- Competitive pricing through contracts
- Field sales and dedicated customer service support
- Same-day shipping for in-stock items*
- Efficient ordering through EDI
