AliMed Quote Process & Custom Strap Information
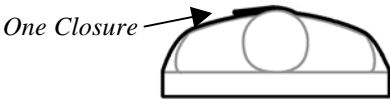

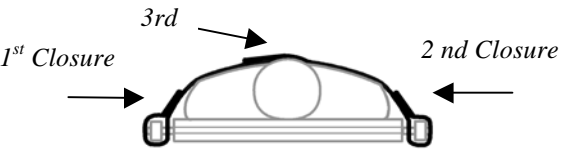

-Once the custom quote request form has been filled out, please fax to 888-352-8391.

-A formal price quote will be generated and sent via fax or email to the customer contact as soon as possible. (*Please note that response times may vary depending on the complexity of the request. If you do not hear a response within 5 business days, please call 888-625-4633.*)

-If the quote request form is not filled out completely, a quote will *NOT* be generated. *(The form will be returned for completion and will need to be re-sent by the requestor for quote processing.)*

-All quotes are non-negotiable, FINAL, and expire after 60 days. *(Please fill out a new form for all requests after the expiration date.)*

-To place an order, please fax back a copy of the quote along with a purchase order to 888-352-8391. A fax or email confirmation will be sent once order has been processed. *(Please reference the quote number, item number, and product description on the PO when ordering.)*

-Please NOTE: The attached forms are for a *QUOTE REQUEST ONLY* and are not considered official purchase orders.

-Custom orders are non-returnable. *Exceptions will be made to products made incorrectly due to an AliMed error.*
